

STARVIEW WINDOWS™—EXPERT DESIGN, QUALITY CONSTRUCTION

Gorell StarView™ windows feature all-welded, heavy-duty multi-chambered sashes and frames, which we extrude from our proprietary virgin vinyl in a soft-white finish. We even fusion-weld the nailing fins for superior window strength.

STARVIEW™ STANDARD FEATURES:

- Gorell Constant Force balance system*
- PPG Intercept™ warm-edge spacer system
- Locking pivot bar**
- Pre-drilled integral nailing fins
- Integral J-channels
- 7/8-inch insulating glass
- High-strength glazing tape
- Sloped sills*
- Durable fiberglass-mesh screens***
- Soft-white vinyl frames and sash
- Finest quality hardware
- Best new-construction window warranty in the business

* Single- and double-hung models

** Double-hung models

*** Half screens on single-hung and single slider models, full screens on double-hung models.

Intercept™ is a registered trademark of PPG Industries, Inc.

PPG Glass Technology
Since 1883

Gorell
WINDOWS & DOORS

StarView™ Windows— Making New Homes More Comfortable, Energy-efficient and Beautiful.

StarView™ vinyl windows are engineered and built by Gorell, a name synonymous with high quality and superior service.

Professionals appreciate Gorell products for

their ease of installation and remarkably low callback rate.

Homeowners love them for their ease of operation, reliability and appearance.

Ask your window professional about ENERGY STAR® qualified StarView™ products.
